

Webinar: Inclusive Bathrooms

Date & Time

Tuesday August 23, 2016 7:00—8:30 pm EST

Course Description

This intermediate level webinar will provide the participant with knowledge of interventions specific to inclusive bathroom modifications. The presentation will be filled with visual imagery to give examples of inclusive bathroom design as it conforms to a varied spectrum of users. Multiple case studies will be utilized to demonstrate the application of interventions. This webinar includes a review of critical bathroom measurements as they relate to the determination of client-centered design recommendations and product solutions.

Course audience includes occupational therapists, physical therapists, builders, remodelers, architects, interior designers, housing professionals, case managers, healthcare professionals, realtors and others interested in inclusive design.

Course Objectives

At the end of this course, the participant will be able to:

- Identify various bathroom modification interventions that meet the needs of a varied spectrum of users.
- Differentiate between accessible versus inclusive bathroom design interventions and product solutions.
- Through case studies, will formulate and apply a rationale for selecting bathroom modification interventions to ensure that current and future needs of the client, caregivers and other household members needs are met.

Course Fee \$45

Course Registration <http://www.empowerability.com/ProfessionalEducation.html>

Confirmations & Cancellations

Confirmations of registration are sent via email within three (3) days of receipt in our office. Add dyoung@empowerability.com to your email address book to ensure delivery. If you have not received a confirmation, you may call our office at 302-504-6067 to verify registration.

Cancellations for Internet-based training received at least five (5) days before the event are refundable less a \$20 administrative and processing fee. Cancellations less than five (5) days before the event are non-refundable. However, with written notification to EmpowerAbility LLC, the Internet-based training cost can be applied toward another EmpowerAbility LLC sponsored training. EmpowerAbility LLC reserves the right to cancel any course with due cause such as not meeting minimum registration numbers, illness of the instructor, or inclement weather conditions that prevent the instructor from reaching the course site. A full refund will be provided for such cancellations made by EmpowerAbility LLC. EmpowerAbility LLC is not responsible for weather and transportation difficulties or non-refundable travel costs. All course fees are non-refundable except of the situations noted above. Any issues regarding this policy, or other complaints/concerns must be submitted in writing directly to EmpowerAbility LLC at dyoung@empowerability.com.

Continuing Education Credit information

Credits listed below are for full attendance at the live webinar event only. Full attendance is required to receive full credit. Partial credit may be awarded if your board allows. At the conclusion of the webinar each qualified attendee will be required to complete a post-webinar evaluation to receive a certificate of completion.

This webinar is in process for approval of .15 continuing education units (CEUs) from the American Occupational Therapy Association (AOTA). The assignment of AOTA CEUs does not imply an endorsement of the specific course content, products, or clinical procedures by AOTA.

For continuing education credit information inquiries, please contact dyoung@empowerability.com or 302-504-6067, before the event.

Course Instructor

Debra Young is the owner of EmpowerAbility[®] LLC, an occupational therapy consultancy specializing in environmental modifications and assistive technology.

Debra Young is a certified specialist in environmental modification, aging in place, and assistive technology. She is a registered and licensed occupational therapist with a Master's in Education degree with specialization in Assistive Technology (AT) from Bowling Green State University, a graduate certificate in AT from Johns Hopkins University and a Bachelor of Science degree in Occupational Therapy from Elizabethtown College.

Debra is a Rehabilitation Engineering and Assistive Technology Society of North America (RESNA) certified Assistive Technology Professional (ATP) and National Association of Home Builders (NAHB) Certified Aging-in-Place Specialist (CAPS).

Debra has also earned the Specialty Certification in Environmental Modifications (SCEM) from the American Occupational Therapy Association (AOTA). This distinction has been accomplished by less than 1% of occupational therapists nationally. She is the 2014 recipient of the AOTA Recognition of Achievement Award for notable contributions to the profession and its consumers in the environmental modifications specialty area of practice. Debra is a Director to the AOTA Board of Directors (2015-2018).

Currently, Debra is an NAHB State Associate Director, 50+ Housing Council Trustee, consultant governor to the CAPS Board of Governors and an NAHB approved instructor for the CAPS and Universal Design/Build courses. She is the recipient of the NAHB 2013 CAPS of the Year Award. Locally, she is the Associate Vice President of the Home Builders Association of Delaware (HBADE) Executive Board and is the President of the HBADE Associates Council.

Debra brings a unique perspective to the aging in place and home/environmental modifications field through her 20-years of experience as an occupational therapist, in combination with her continued commitment to the field by pursuing additional training and certifications in the ADA Accessibility Guidelines, assistive technology, Aging in Place, low vision and Universal Design. She has published and presented on local, state and national levels, holds an adjunct teaching position at Philadelphia University and frequently guest lectures to Master's level occupational therapy students on environmental modifications, assistive technology, accessibility, and livable communities.

Accommodations for Persons with Disabilities

Accessibility needs and other accommodation requests (such as sign language interpreter and large print or Braille material) must be made in writing to EmpowerAbility LLC at dyoung@empowerability.com at least 30 days prior to the course date.
